

booking information

At Cofton we cater for families and couples. Our guests' enjoyment is most important so we operate a code of conduct that ensures the uninterrupted pleasure of our guests and we expect a complementary standard of behaviour in return. It is the responsibility of parents to supervise children and young people at all times. We operate fair and strict conditions in regard to the use of the bars and amenities and regarding unnecessary noise and anti-social behaviour.

The terms and conditions apply to all members of the party on whose behalf the booking is made.
